- Founded and currently developing GetInstaGigz, a platform aimed at connecting restaurants with musicians for live entertainment bookings.
- Developing the website and setting up the necessary infrastructure for seamless event coordination.

Volunteer Work

1) **Blood Donation ~ M.A.D Club**

Dubai, UAE

I volunteered to donate my blood to a local hospital through M.A.D Club (Make A Difference Club). I received 1 hour of volunteer work for this activity.

2) **Dubai Prosecution Run ~ volunteers.ae**

Dubai, UAE

I participated in the Dubai Public Prosecution Run. The event raised awareness about mental health and physical fitness, uniting people for a common purpose and supporting local causes through fundraising for which I received 8 hours of volunteering.

3) **Al Noor Zurich Family Run ~ volunteers.ae**

Dubai, UAE

Al Noor the Walk of Inclusion- supports the education, rehabilitation, and training of people of determination (individuals with disabilities). I Assisted with event registration, guiding participants, and ensuring accessibility. I received 3 hours of volunteering credit for this activity.
